AMS

Integrated Audit Management System

About AMS

- Web based application
- One software for all types of audit systems
- One software for both internal and external audits
- Include internal and external auditors
- Define auditors for each audit systems

About AMS

- Web based application
- Prepare annual plan, monthly schedule
- Enter audit feedbacks
- Root cause analysis and CAPA for non-conformances identified
- Verify CAPA and close audit
- Include process audit

About AMS

- Powerful graphical dashboard to analyze the effective system implementation.
- Various MIS reports to have audit data at your fingertips

DMS

Online Document Management Software

About DMS

- Manage all your documents from a single source
- Always view the latest approved documents
- Control your documents by providing the necessary user rights
- Hold all your obsolete documents for future references
- Unlimited folder and sub-folder creation.

Folder Description

Parent Id.:

- └─ root
 - └─ QMS
 - └─ EHS
 - └─ TQM
 - └─ CERTIFICATES
 - └─ ISMS
 - └─ QMS
 - └─ supplier1

- ☐ QMS
 - ☐ L-2 Corporate Functions procedures
 - ☐ L-2 PLANT 1
 - ☐ L-2 PLANT 2
 - ☐ L-2 PLANT 3
 - ☐ L-2 PLANT 4
 - ☐ L-1 Corporate Manual1
- ☐ EHS
- ☐ TQM
- ☐ CERTIFICATES
- ☐ ISMS
- ☐ QMS

About DMS

- Robust workflow to upload, review and approval systems
- Manage review and approval by click of a button
- Auto-mailer to users when new documents are approved and ready to view.
- Supports all MS-Office documents, PDF and images

About DMS

- View all change history for any document
- Define user groups and provide access rights to the user groups
- Easy user management by assigning user to user groups
- Automatic reminders for document review and approval

CalibPro

A complete Calibration Management Software

About CalibPro

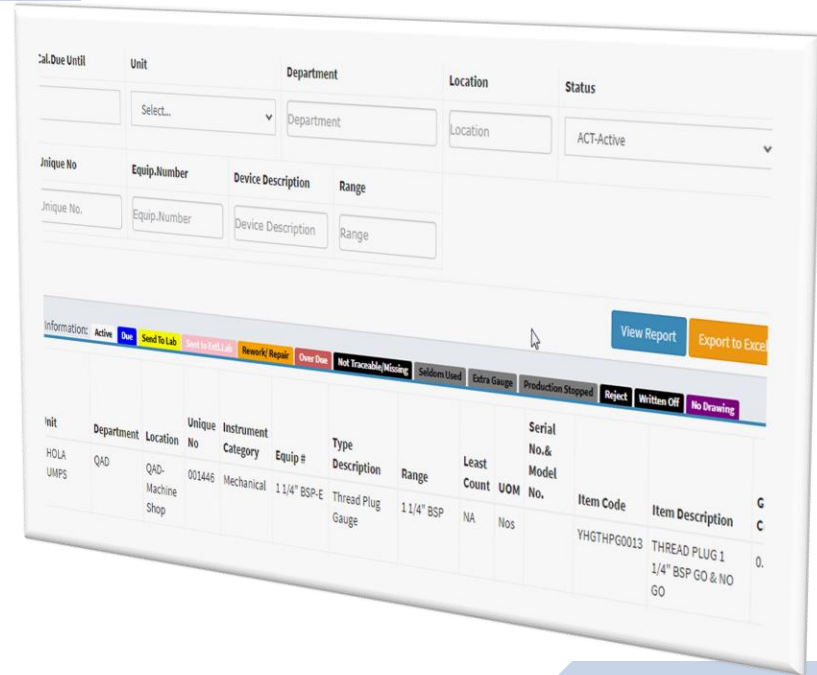

- One stop solution for all your calibration needs
- Select the variant that suites you best
- Comprehensive dashboard to monitor the calibration system
- Built-in history card generator
- Automatic mail reminder for dues and over dues
- Build your calibration templates for in-house calibration

About CalibPro

- Keep track on externally calibrated instruments
- Master list with color coding to quickly know the status
- Allow production users to know their equipment status
- Provision to upload WIP and related documents
- Graphical reports to understand the calibration performance

The screenshot displays the CalibPro software interface. At the top, there is a search form with fields for 'Unit', 'Department', 'Location', and 'Status'. Below this is a table with columns for 'Unique No.', 'Equip. Number', 'Device Description', and 'Range'. A status bar below the table contains various colored buttons: 'Active', 'Due', 'Send To Lab', 'Send To Lab Lab', 'Rework Repair', 'Over Due', 'Not Traceable/Missing', 'Seldom Used', 'Extra Gauge', 'Production Stopped', 'Reject', 'Written Off', and 'No Drawing'. A 'View Report' button and an 'Export to Excel' button are also visible. The main table below has columns for 'Init', 'Department', 'Location', 'Unique No.', 'Instrument Category', 'Equip #', 'Type Description', 'Range', 'Least Count', 'UOM', 'Serial No. & Model No.', 'Item Code', 'Item Description', and 'G C'. A single row of data is visible, representing a 'Thread Plug Gauge' with a unique number of 001446 and a serial number of YHGTHPG0013.

Init	Department	Location	Unique No.	Instrument Category	Equip #	Type Description	Range	Least Count	UOM	Serial No. & Model No.	Item Code	Item Description	G C
HOLA UMPS	QAD	QAD- Machine Shop	001446	Mechanical	1 1/4" BSP-E	Thread Plug Gauge	1 1/4" BSP	NA	Nos		YHGTHPG0013	THREAD PLUG 1 1/4" BSP GO & NO GO	0.

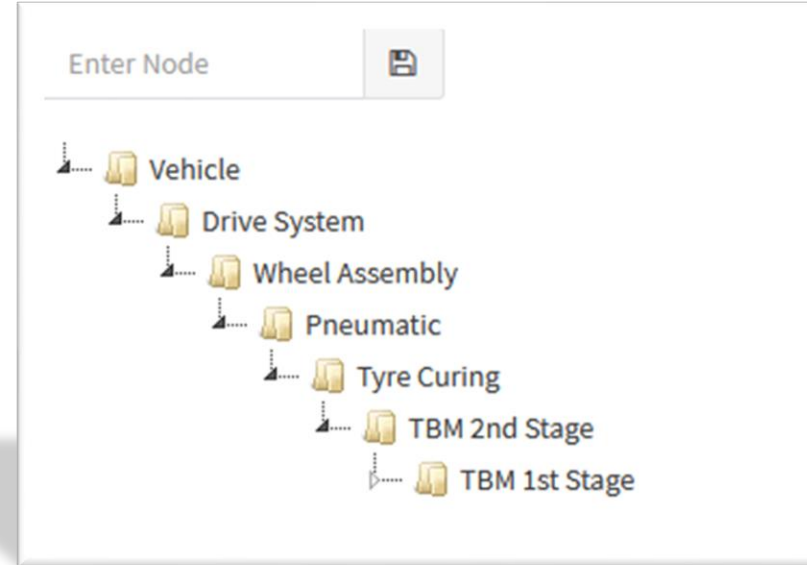

qFMEA

Integrated PFMEA Software

About qFMEA

- Software designed to meet AIAG-VDA FMEA manual
- One software that integrates **Structure Tree, Process Flow Diagram, PFMEA and Control Plan**
- Reports to understand the failures, action and prevention
- Easy user interface to enter stage-wise data

About qFMEA

- Report to understand more on your failures and actions
 - FMEA Report based on AIAG-VDA manual
 - Revision control with revision history
 - Know the pending FMEA in relation to PFD
 - Easy user access control to prepare, approve and view the data
- ▶ Failure mode vs Cause Matrix
 - ▶ Causes vs detection matrix
 - ▶ Causes vs prevention matrix
 - ▶ Failure mode vs effects matrix
 - ▶ List of higher severity failure modes
 - ▶ Pareto chart for Action priority

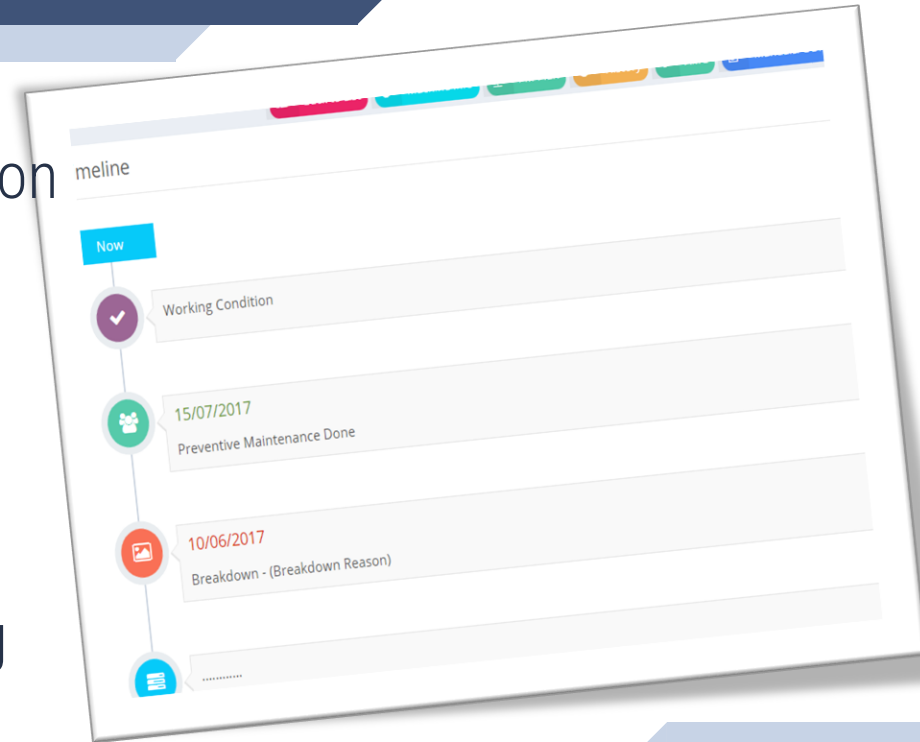

MaintPro

Integrated Machine Maintenance Software

About MaintPro

- Web based and mobile application
- SMS Alerts
- Spares Management
- MTBR, MTBF and Availability graphs
- Scheduled breakdown and unscheduled breakdown logging
- Machine history and timeline display

About MaintPro

- Escalations on machine stoppage
- AMC details – renewals and maintain AMC documents
- Upload PM checklist
- Upload machine related manuals, SOP's, drawings, work instructions
- Powerful and informative MIS Reports

Daily Breakdown Report

Machine History Card

Breakdown Trend

Machines Master List

Costing Report

MTBR/MTBF

Stock Ledger

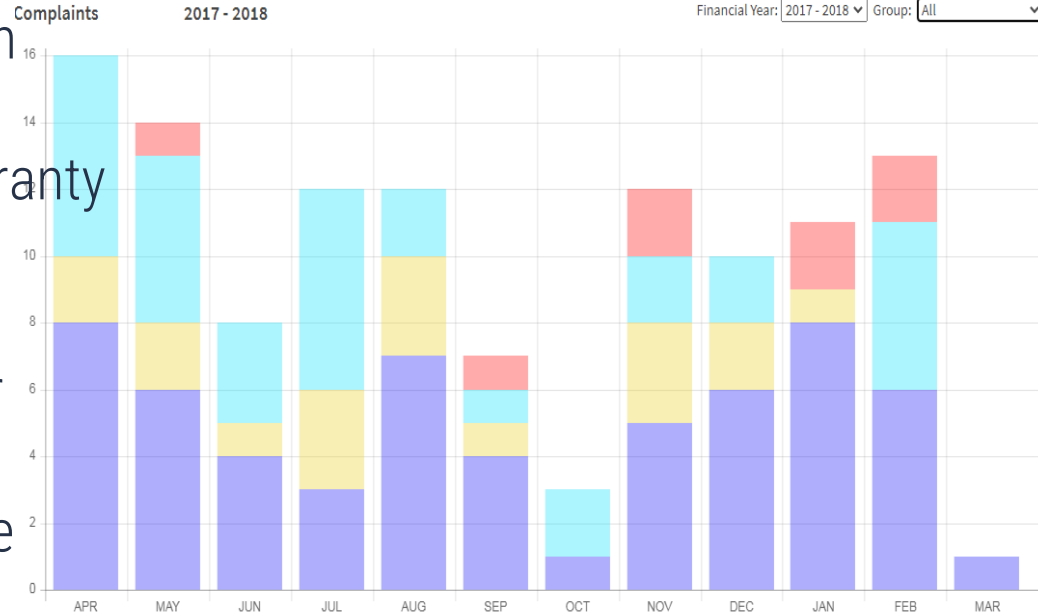

CCMS

Online Customer Complaint Management Software

About CCMS

- Handle customer complaints with ease.
- Register complaints against Warranty and regular products
- Generate reports in 8-D formats
- Easily customizable to meet your current practice
- Response time graph to show the complaint action taking speed.
- Present the complaint handling status to management from software

About CCMS

- Includes various stages of analyzing the complaints.
- Tightly integrated between each stage. User cannot skip any step
- Reminders on target dates set
- Escalation on pending actions

- 3W-1H
- Containment
- Root Cause Analysis-Fish Bone
- Root Cause Analysis-5 Why
- Permanent CA
- Change Management Check
- Impacted Documents
- Effectiveness Monitoring
- Horizontal Deployment
- Complaint Closure

eVims

Online Visitor Management Software

About eVims

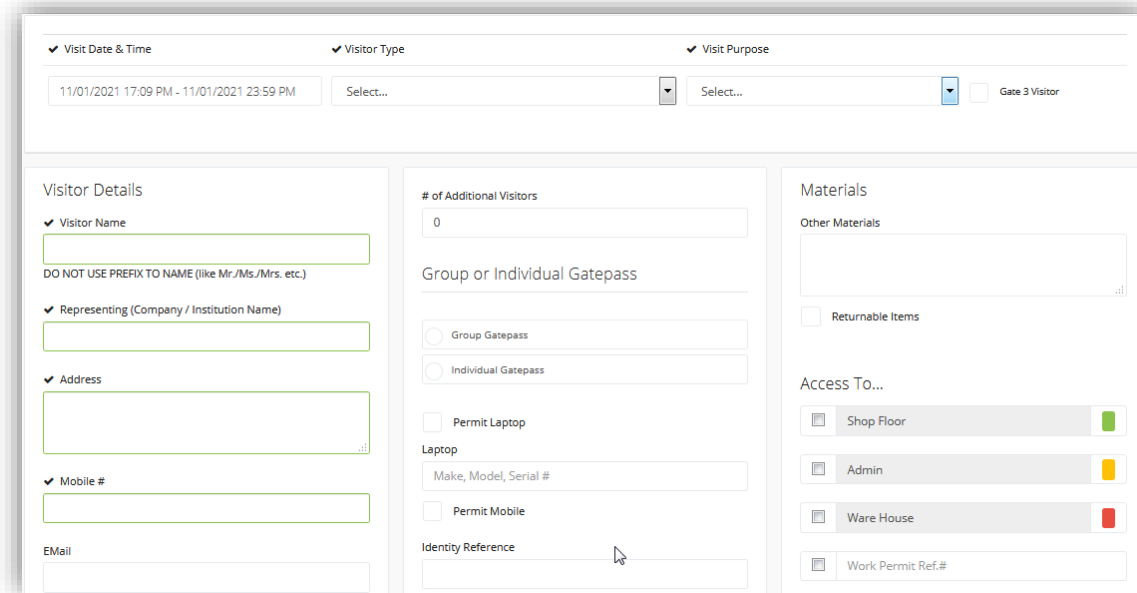

- Sophisticated online visitor management software
- Provide appointment to visitors before they arrive at the gate
- SMS alert to the invitee when visitor arrives
- Dashboard to show number of visitors inside the premises

About eVims

- Monitor visitors staying beyond the allowed time
- Allow access to laptop, mobile and returnable goods
- Get the visitor head-count at a button click

The screenshot shows the eVims web interface for visitor registration. At the top, there are three tabs: 'Visit Date & Time', 'Visitor Type', and 'Visit Purpose'. Below these are input fields for the date range (11/01/2021 17:09 PM - 11/01/2021 23:59 PM), a dropdown for visitor type, and a dropdown for visit purpose. A checkbox for 'Gate 3 Visitor' is also present.

The main form is divided into several sections:

- Visitor Details:** Includes checkboxes for 'Visitor Name', 'Representing (Company / Institution Name)', 'Address', and 'Mobile #', each followed by a text input field. A note below the name field reads 'DO NOT USE PREFIX TO NAME (like Mr./Ms./Mrs. etc.)'. An 'Email' field is at the bottom.
- # of Additional Visitors:** A text input field containing the number '0'.
- Group or Individual Gatepass:** Radio buttons for 'Group Gatepass' and 'Individual Gatepass'.
- Permit Laptop:** A checkbox and a text input field for 'Laptop Make, Model, Serial #'.
- Permit Mobile:** A checkbox and a text input field for 'Mobile #'.
- Identity Reference:** A text input field.
- Materials:** A section for 'Other Materials' with a text area, and a checkbox for 'Returnable Items'.
- Access To...:** A list of access points with checkboxes and colored indicators: 'Shop Floor' (green), 'Admin' (yellow), 'Ware House' (red), and 'Work Permit Ref.#' (grey).

WebMSA

Web based Measurement System Analysis

About WebMSA

- Developed using AIAG MSA 4th Edition as guidelines
- Install at one place and use it anywhere in your LAN
- Includes **Bias, Stability, Linearity, R&R Variable & Attribute**
- Easy user interface.
- Download reports in excel format
- Installable on any PC with Windows 8 or higher

WebSPC

Web based SPC

About WebSPC

- Developed using AIAG SPC 2nd Edition as guidelines
- Install at one place and use it anywhere in your LAN
- Includes **XMR**, $\bar{X}R$, $\bar{X}S$, **p**, **np**, **c**, **u** charts
- Easy user interface.
- Download reports in excel format
- Installable on any PC with Windows 8 or higher
